

Ohio No-Till Council

College Scholarship Application 2023

The Ohio No-Till Council is offering 5 scholarships ranging from \$500-\$1000. These scholarships are one year in length and are open students who are enrolling or are currently enrolled in a two-year or four-year accredited college program. Preference will be given to those majoring in Agriculture and/or coming from a conservation farming background. Four \$500-dollar scholarships are open to applicants of any college or expected degree. The Bill Richards Scholarship (\$1000) is open to an applicant fulfilling the above requirements and studying agriculture at The Ohio State University. Previous winners and applicants may apply each year they are eligible. All monies awarded will be made payable to the winner's respective school. Scholarships are open to all incoming freshmen, sophomore, junior and senior students. The selection process will occur in March and winners will be announced in April.

All interested applicants must meet the following requirements, complete the information requested below, and return by March 1st to:
